>B< Press

>B< Press, press once for a permanent, leak-proof connection.

Features and benefits:

- Suitable for hot and cold potable water, hot and cold water installations, chilled water, compressed air and vacuum.
- Quick and easy to install, saving on labour time.
- Permanent, flame-free connection - no hot works permit required. No soldering or brazing consumables required.
- 3-point press safety feature for added security.
- Leak before press indicator assists identification of unpressed joints.
- Maximum operating temperature 110°C.
- Maximum operating pressure 16 bar.
- Twenty five year product guarantee.
- Comprehensive range of fittings - sizes from 1/2" to 1".
- Suitable for use with hard, half-hard and soft copper tubes to EN 1057.
